GOLF FOR A CAUSE

WHY E3 AFRICA EXISTS

In Uganda, government funding ends after elementary school. In middle and high school, students must pay for tuition, room and board, uniforms, books, and exam fees.

For orphaned children, this is impossible - which is why E3 Africa was created. Without financial support, many students cannot stay in school.

OUR IMPACT

We **educate, empower, and enrich** orphaned and vulnerable students in Uganda, giving them the chance to build a future filled with dignity and hope.

- E3 Africa built a high school, **St. Thomas Aquinas College Erepi (STACE)**, which educates **800** boarding students.
- E3 Africa sponsors more than **300** students.
- Our **100-acre farm** provides meals, life skills, and supports school operations.

ABOUT THE EVENT

Join us for a fun and meaningful morning at **Topgolf Glendale** as we swing, laugh, and raise support for the children of E3 Africa. Enjoy three hours of play, brunch, team competitions, prizes, inspiring mission moments, and a 50/50 raffle — all while helping us reach our **$70,000 goal** to strengthen E3 Africa's work in Uganda.

Your participation helps ensure these students have access to **education, stability, mentorship, and hope**. It fuels the programs that keep children in school, provide daily necessities, and create an environment where every student can thrive academically, emotionally, and spiritually.

Every swing, every donation, and every ticket purchased helps change a child's future. Together, we can open doors to opportunity and give hope where it's needed most.
